Magneetskool Nuusbrief Hoërskool Monument High Magnet School News Letter 3 /2021

Dear parents & learners / Liewe ouers & leerders

Die kwartaal is skaars uit sy wegspringblokke en ons bevind ons midde die besigste tyd van nog 'n uitdagende skooljaar! Ons glo dat elke ouer en kind uitgerus is en dat ons jong musici gereed is om die optree-verhoog aan te durf en hul musikale vaardighede in die praktyk te toets!

Remember that every child needs support and praise, especially when he is willing and also brave enough to perform on stage!

Monument Instrumentale Eisteddfod:

Monument Magneetskool bied hierdie kunstefees vanjaar reeds vir die 15de keer aan. Die eisteddfod vind vanaf Dinsdag 10 Augustus tot Donderdag 19 Augustus hier in ons eie konsertsaal plaas.

No normal afternoon timetables will be running for the next two weeks. All teachers are somehow involved at the eisteddfod, but will nevertheless *try* to schedule at least ONE lesson for each learner, as far as possible. Most of our learners do participate. Please make sure that your child knows when he is scheduled to perform.

To comply to current national *covid*-regulations as well as for the safety of each of our young participants:

- Sadly **NO traditional audience will be allowed** inside the hall.
- **Gr R – 4 participants** may be accompanied by **ONE parent only**.
- ALL PARTICIPANTS: Please wait outside / in your car, until the previous session has been concluded and participants leave the building. ONLY then enter the building to attend your session of participation. PLEASE refrain from sitting / standing around in the foyer, waiting for your session to start.
- Learners are scheduled to perform in a specific session. Each session consists of 7 to ±10 participants at a time.

Uit die Musiekkantoor/ From the Music Office

- Please **DO NOT** let your child participate if he/she is not well / covid positive, currently in isolation due to family member being ill or close contact etc.

* Contact the practical teacher so that participation can be rescheduled.

Reserved eisteddfod date : 8 September

- Specific seating arrangements for participants will be applicable.
- The necessary sanitizing equipment will be freely available, inside and outside the hall. PLEASE be encouraged to sanitize hands before, during and after your session / participation.
- Masks to be worn throughout *each* session. A participant may, however, remove his / her mask during performance.
- An attendance register will be recorded at all times.
- PLEASE NOTE: Learners will be called out randomly and NOT according to the order in which they appear on the program.

Video-opname / Video recordings in September:

Our virtual concert series, with ONE *young artist* each week, has already given a number of learners a performance opportunity.

We are planning our next video recording session for the first week of September.

Learners who are ready, will be *invited* by their practical teacher. NO learner will be recorded or his performance be posted in the media, unless the parent has given his written consent.

U kind *kan* binnekort 'n briefie van die praktiese onderwyser ontvang, waarin hy genooi word vir 'n video-opname hier by die magneetskool. Saam met die uitnodiging sal daar ook 'n toestemmingsbriefie wees waarin u as ouer goedkeuring gee dat u kind se video in die media mag verskyn.
