

27 September 2021

Dear Monnas Parent, Monnas Supporter and Monnas Alumni,

THE MUNGA FOR MONNAS PROJECT

WHAT IS THE MUNGA?

The Munga mountain bike race is considered to be one of the toughest bike races in the world. This is a single-phase race of 1100 km which is completed in a maximum of 120 hours from Bloemfontein to Wellington through the Karoo during the hottest part of summer. The race kicks off on 01 December and the cut-off date is 06 December 2021.

THE SPONSORSHIP:

As part of our centenary year celebration, "Oud-Monumentaar", Braam Nel, class of 1987 and experienced cyclist will ride the Munga mountain bike race in an effort to generate funds for Monnas. He has already completed it twice in the past.

All funds raised are for the benefit of upgrading the Martin Brink Hall.

You can sponsor per kilometre or sponsor a lump sum for the total of 1100 km.

The form must be returned with the cash contribution or proof of payment to the relevant register teacher.

There is a cash prize for the learner who raises the most money.

Payments close on November 30 and the winner will be announced thereafter.

Your contribution to this fundraiser is sincerely appreciated.
